Sweetwater Community (hereafter called the Corporation) allows its property owners (hereafter called Residents) to own or possess up to two (2) pets, 20 pounds each in weight. Service Animals are exempt from the weight limit regulation. The Sweetwater Community Pet Policy does not supersede any law or regulation set forth by Haines City, Polk County, the State of Florida or the United States of America.

### **1. DEFINITIONS**

A. A pet shall be defined as any animal that a Resident owns as a personal companion, including dogs, cats, and birds.

B. A Service Animal shall be defined as any animal that has undergone rigorous training and certification including, but not limited to, seeing-eye dogs, hearing dogs, or epilepsy detection animals. These animals must comply with all Americans with Disability Act (ADA) rules and regulations, and must be licensed as such. Any Service Animal must comply with all regulations set forth by the Corporation.

C. Emotional Support Animals shall be defined as any animal that lends emotional support but does not necessarily require national or state certification. For an Emotional Support Animal to be considered a Service Animal under point B in this section, it must carry a certification and license from the owner's state of primary residence along with a statement of need from an accredited physician or medical professional as well as documentation of specific training pertaining to the owner's need. Unless otherwise specified, all Emotional Support Animals will be subject to all rules and regulations set forth in this contract and Sweetwater rules.

### **2. EXOTIC PETS, FARM ANIMALS AND WILD ANIMAL FOSTERING/REHABILITATION**

Also not allowed in Sweetwater are venomous or poisonous animals of any kind, including fish. Farm animals shall not be allowed as pets in Sweetwater Community. This includes, but is not limited to, miniature pot-bellied pigs, primarily marketed as pets. Wildlife may not be kept as pets at any time within the community. Fostering of small wildlife may be done on a temporary basis by certified volunteers and/or licensed animal rehabilitation professionals and must be registered with the Corporation. These animals must adhere to all other regulations set forth in this contract and Sweetwater rules.

### **3. SIZE, BREED, AND TEMPERMENT**

No pet shall weigh over twenty (20) pounds. Special permission may be granted by the Corporation in certain rare situations such as a puppy that grows much larger, after purchase or adoption, than his breed specification says he should be. The Corporation will not restrict specific breeds. All animals will be under their owner's control at all times. Vicious or aggressive animals must be removed from the Community immediately and permanently. All medical expenses that are incurred from an unprovoked animal attack will be borne by the animal's owners.
